TESTIMONIAL

Brian Skeete
Retail Sales Manager
Clarion

"We were delighted with the marquee. When we finally decided we would invest in a replacement marquee, there were less than three weeks to the show we were due to attend. I contacted Top Marquees through their website enquiry page. Within the week Top Marquees were back to us confirming costs ball park costs, after discussing my reservations around the delivery requirements Top Marquees gave me their assurance that they could do the job in time. Purchase order was raised and sent, artwork was sent and needed a few teaks along the way. Nonetheless true to their word our Marquee and bits were delivered according to schedule, in perfect time. Thank you top job Top Marquees"
