The branded marquee specialists

## TESTIMONIAL

Peter Hopkins  
Branch Secretary  
Royal British Legion

"In terms of a testimonial I can say that the Marquee has widened our exposure in the local community as people come to ask about the marquee when we have it up which allows us to talk to them about the work of our charity. I also think it gives us a more professional image when we are using it at events"

Initial Visual 4.5m x 3m marquee
